Secluded Top Floor Living with Natural Coastal Frontage

Providing an irreplaceable location with absolute harbour and park frontage this apartment offers an incredible 195m² of living space including a sprawling balcony area of 43.9m², this ocean sky home will redraw the parameters of apartment live ability and fully encapsulate the energy and serenity of the ocean and surrounds.

Award winning features include:

- 3 King Size Bedrooms, with the master offering a separate walk-in-robe and ensuite with large walk-in shower, double vanity & floor to ceiling porcelain tiling.
- Absolute ocean and park frontage which can never be built out.
- Stone bench tops throughout the entire home, that match between all living areas and wet areas.
- Architecturally inspired floor design, with open plan principles to maximise the view as well as North to South orientation. Ensuring the full capture of the breezes directly off the harbour and avoid afternoon sunlight, for both comfort and property preservation.
- A sprawling 43.9m² balcony spanning the full width of the apartment, providing both a master bedroom balcony retreat and an extension of the living area outside to admire the hypnotic outlook and entertain.
