

Lots 2 and 5 Hovingtons Road (off Huon Road), LOWER LONGLEY

Two Title Acreage Still City Close

Trying to find great larger vacant acreages within close proximity to Hobart is becoming increasingly harder, especially to have a relatively easy commute to both Kingston and Hobart. This block with it's North facing position sits perfectly close with around a 15 minute drive into Kingston and then just a further 15 minutes or so to Hobart.

The property is a mix of pasture and bush, perfect for your new family home design and then plenty of space for the kids to roam and even animals to graze. The property was originally a large berry farm and has ran cattle since then so your options for the farming lifestyle are plentiful.

There is a long road frontage to Huon Road giving you good options for access to block. You also have excellent house site choices and then 2 Titles to this property which may add further to the appeal.

If you have had the country lifestyle dream and want to design and build your own style of home but haven't been able to find that perfect acreage then this may very well provide the solution to those dreams.
