

MALANDA

Historical! Central!

Don't be deceived - under the weathered roof & timber outer hides the solid timber structure of this massive shed in the centre of Malanda. Seres Motors' building with it's antiquated petrol bowser distinguishing it in Eacham Place hoarded a car collector's treasure of automobile parts & bits. Now cleared, the large open building with concrete floor is waiting for your innovative touch.

Two street access allows for drive through or plenty of parking at the rear of the building.
