

Lot 4395 Williams Kondinin Rd, NARROGIN

A Really Good Block

64.84 hectares, 160.23 acres

Described by a previous owner as a 'really good block', this property is a productive small farming block not far from the town of Narrogin.

Featuring good quality undulating gravelly loam soils with sound fencing, ample water from a dam and scheme water connection, the farm is currently running sheep under a lease arrangement with a close neighbour.

While not currently connected, mains electricity runs through the property.

This is surely one of the best small blocks available at the moment so call now to arrange an inspection.
