

7 McCormick Way, NARROGIN

Lofty Lifestyle - Elevated Block With a View

There are few blocks left in Narrogin town where you enjoy an elevated view in a secluded but central position. This 675 square meter block is ideal for a cost efficient and environmentally friendly home. Why not look at a stunning elevated pole home to enjoy the benefits of this sloping site with a road level entry from McCormick Street. Imagine the possibilities, we've included an artist impression of just one example from a local WA specialist pole home builder. First Home Buyers don't forget the First Home Buyers Grant, leave renting behind and build a home that is perfect for you. This land is close to the Narrogin Regional Hospital and a short distance from two primary schools, shops and services. If you are considering building your own home, call Sandra for more information 0487 316 906.
