

BAUPLE

ROCK SOLID

This 4 bedroom home has been loved by the owner and has been maintained in the same way. The half-acre corner block is flood free and easy to keep tidy. The layout is typical Queenslander with kitchen, 4 bedrooms, shower, toilet and large sun room. The high ceilings ensure the Summer days are cool inside and the tongue and groove walls give the warmth of timber. The underneath of the house has been built in as a large car lockup. With ample rain water storage, fruit trees and fully fenced, all you need is to move in. For more info, call David on 0409 876 496.
