

SOUTH WEST ROCKS

BAND NEW MASTER PIECE

This brand new house and land package is certainly going to draw a lot of attention from all types of home buyers. From investors, retirees or even the first home owner looking to start at a great level.

The house includes four very large bedrooms all with built-ins and the main with a huge walk-in and an awesome en-suite to match. There is ample living space that flows neatly to the huge fully covered deck with a outlook towards Smoky that really has to be seen to be appreciated. It has the advantage of a media room also along with a built-in study that is just perfect for teenager or even could be used for sewing space.

The kitchen is to die for with all the necessities but done at the right standard. Blum drawers, stone benches, bulk heads, wine racks and designed with the entertainer in mind.

One of the major features are the huge high set internal doors and the high ceilings that create space that you never thought possible. One thing for certain is that any person that looks at this will love that feature.

This is a master piece and any who take the time will want to claim it.

Other features: Built-In Wardrobes, Garden, Secure Parking, Formal Lounge, Separate
