

12 Mecklenberg Street, BEGA

CLASSY RENOVATED HOME

This three bedroom home has been extensively and exquisitely renovated throughout. Just about every part of the internal fit out is new.

The kitchen and bathroom boast a contemporary feel, you will love the look and the practicality of both these rooms.

A separate dining room off the kitchen is a great size and with polished timber floors it has a brilliant feel.

The current owners put an excellent extension on the back of the home, it provides a large living room that opens out to the backyard.

A carport off the garage creates an array of options for the garage, above and beyond pure car storage.

This is an obvious one for first home buyers, looking for a level of refinement they have grown accustomed to living at home with mum and dad; or alternatively in the strong rental market it is a solid investment property for the savvy investor.
