

31 Kelly Avenue, GRIFFITH

Elegant with a Modern Twist!

This fully renovated modern style weatherboard and colour bond roof home, is situated in the well sought after and leafy North Griffith suburb. The home features good sized bedrooms, brand new modern bathroom, lovely French provincial kitchen and 2 expansive living zones.

The bi-fold doors joining both living zones and the back deck area, allow versatility and draw in natural light into the rear of the home. The wide American oak floorboards throughout the living areas are also a highlight and add a touch of class. There is deck area that connects the rear of the home to the studio/granny flat or 4th bedroom.

Overall this property is an amazing package, with nothing to do but move straight in. It has a lovely flow, good natural light and the interior design has been tastefully selected, would not be out of place in the eastern suburbs of Sydney.
