

60 Gretel Drive, CLINTON

The Pride of Gretel Drive

Find yourself refreshed and in love after one walk through this immaculately kept two storey 360sqm family home with 5 bedrooms and 3 living areas. Never rented, and constantly treated with the care and affection it deserves - 60 Gretel Drive truly is one of the most magnificent homes we've had the pleasure of marketing over the past few years. This truly is the 'Pride of Gretel Drive'...

Built by local award winning builders, this rarely seen style of property was designed to impress in both character and use of space. The extra high raked ceilings, 1,350sqm+ elevated block and secluded position are just a whisper of the attributes you'll find here - Feel a million miles away surrounded by established tropical gardens and trees that are all so rarely seen and appreciated in the modern estates. This property simply must be seen and experienced to truly appreciate the sense of serenity it offers.

As you walk over the ground level timber decking leading to the front covered entry way, and make your way inside the first thing you will see and appreciate is the sheer size - A grand total of 360sqm of undercover space with the lower level made up of 3 separate living areas, 2 dining areas (the second of the 2 easily used as a 4th living area) grand kitchen and 5th bedroom ideal for the office or home business - All air-conditioned!. Sectioned off from this area you will also find a large laundry, large purpose built storage room, bathroom and access to the double garage. Multiple sliding glass doors also lead to the fully covered back pergola area which is 100% private. A family of any size or dynamic would be right at home here, the space is simply to die

Photos do this kitchen no justice whatsoever - come and see for yourself.
