

16 Charolais Way, PICTON

Wide frontage elevated 700m² - Jarvisfield Estate

If you are looking to build a wide frontage home on an elevated 700m² block in Picton's premier residential estate, look no further. With over 30 metres street frontage there is an opportunity to create a unique home and ample off street parking. You could also design the rear entertaining area to take in the lovely North vista. Just a short stroll to walking path which leads safely back into Botanic Gardens and town centre. A rare find in the final Jarvisfield release with attractive new homes surrounding.

- Land Area 700.00 square metres
